LOOK OUT FOR TELEGRAPHIC ROORBACKS ON THE EVE OF ELECTION: THE BLACKS HAVE FULL CONTROL OVER ALL THE LINES, and they won't hesitate at anything to carry their INFAMOUS MEASURES!

OUR SENATOR.

In Outagamie, we feel a pride, and a just one, when a boy distinguishes himself by his activity and energy, and his aptitude for learning anything to which he applies his mind.

But a few years ago, THOMAS R. HUDD, our present State Senator, and the re-nominee of the Democracy of this district, was a poor Printer Boy in the office of the Appleton Crescent.

By his own exertions, he has worked his way up, step by step, until there are few in this town of printers who can equal him.

Is it not proper that in a young city like ours, talent, capability and energy should be encouraged? Are men so blinded by partisanship that they will refuse to do so? Was not a Henry Clay, a Webster, a Cass and a Douglas, overhauled because jealous, intellectual inferior Statesmen could see no hope for self-aggrandizement except by deteriorating from their well earned fame?

Look to-day! Senator Hudd fought that infamous measure known as the "Agricultural College Bill," an act which gave to all the Eastern and Middle States, where no Lands were situated, the privilege of selecting them in other States. A memorial by him introduced, remonstrating against the measure, passed our State Senate by a unanimous vote!

Is not such a man, possessing such influence, the man to keep in the Senate? Lake Superior and North-Eastern Wisconsin petitioned Congress for the construction of a Military Road from Lake Superior to Appleton. The project originated with the people of Lake Superior, they expended large sums of money by voluntary contributions to ascertain the best route, and after determining that APPLETON was the best terminus in Wisconsin, they also sent their delegates to both the Wisconsin and Michigan Legislatures and to Congress to accomplish the object in view.

Senator HUDD introduced, and obtained the passage by an almost unanimous vote, of a Memorial to Congress in favor of that Military Road. It was reported upon favorably in Congress, but prior to its passage Judge T. O. Howe, of Green Bay, U. S. Senator from Wisconsin, interpolated by amendment the bill so that the terminus should be Fort Howard (near which he owns landed property) instead of Appleton!

Is not Senator Hudd entitled to the support of every citizen of Outagamie, after all this, particularly when it is a fact patent to all that at the approaching session of the Legislature Commissioners are to be appointed to locate that Military Road, a fact which the erudite Judge Howe must have overlooked! Are we interested to have a Military Road to Lake Superior or are we not? From Howard it is impossible to obtain even a tolerable Wagon Road, except at a vast expense of money—at least four times as much as by the Route selected by the Lake Superior Engineers.

Can you support HARRIS, of Door, for State Senator, one who will in all things do just as Judge Howe tells him.

and thereby sacrifice your own interests and the interests of State and Nation?

Near at home, we have an interest of great magnitude to the Fathers and Mothers of our young State, and an interest that should enlist the active efforts of all, viz: the Education of the Young. A while ago, by the active efforts of Senator Hudd, an act was passed by the Legislature to exempt lands held by Lawrence University from taxation. Those lands have been donated expressly to assist the University to aid in the Education of the Young, and cannot be appropriated for any other purpose. And when a persistent effort was made to repeal the law, Senator Hudd worked early and late to defeat the scheme, and but for him the opposers of Popular Education would have succeeded.

Can a true friend of the Lawrence University do otherwise than support Hudd for Senator?

At the next session of Congress, as is well known, a strong effort is to be made to obtain a liberal appropriation from the Government to construct a Ship Canal from Lake Michigan to the Mississippi River. State Legislatures will be expected to express a preference for such route as they choose, and to present statistical proof that it is for the interest of the Gov't to adopt it.

Sensor Hudd is just the man who ought to be re-elected. The route by the Fox and Wisconsin rivers is perfectly feasible. Through it a Ship Canal can be constructed for less than Three Millions. He is familiar with all the topographical facts and statistics relative to that important project, whereas, his competitor knows nothing about them, and has no influence, even if he had the willingness, outside of his own little isolated county, to aid the project in any manner whatever.

GEORGE KREISS is sure to be elected Assemblyman from Outagamie County. He is a strong advocate for the Fox & Wis. River Ship Canal, and his influence in Milwaukee, Washington and Waukesha counties will help essentially toward an emphatic expression of our Legislature in favor of the Canal project worthy of attention.

Shall we not, therefore, elect T. R. HUDD to the Senate?

TAKE CARE!—Think of it! The story circulated in Freedom that Geo. Kreiss is a Shanghai! The next we shall hear from the Falsehood Manufacturers of Leagues is that they have given up Devil Worship, Mormonism and Free Loveism, and attached themselves to Truth, Christianity and Democracy!

Vote for KREISS!

Sen. Douglas' Prophecy Fulfilled!! It has frequently been claimed by Republicans that had Senator Douglas been chosen President instead of the Democracy, the country would have taken the same course they are pursuing. Let us look at this matter, by calling Douglas upon the stand, and read his verdict and prophecy. [See Cong. Globe of March 25, 1861, page 1503.]

Mr. DOUGLAS.—If I did not defeat you, it was not my fault. I used my best effort to do it.

Mr. CLARK.—You could not quite come it, and you see the consequences. Seven States are out of the Union, civil war is impending over you, commerce is interrupted, confidence destroyed, the country going to pieces, just because I was unable to defeat you. No man in America believes these consequences would have resulted if I had been successful in my efforts to defeat you. You can boast that you have defeated me, but you have defeated your country with me. You can boast that you have triumphed over me, but you have triumphed over the unity of these States. Your triumph has brought disunion; and God only knows what consequences may grow out of it.

Voters of Wisconsin! The great Douglas speaks to you this hour as he did when his clarion voice rebuked the disunion Abolitionists! Will you vindicate his noble memory? Then rebuke his old enemies on Tuesday!

DEMOCRATS OF OUTAGAMIE! Beware of trading politicians! Shanghaiism will barter off any of their nominees to carry a single Local office! Vote the straight Democratic Ticket!

DEMOCRATS!

For all you have to do is TO GO TO THE POLLS and vote the entire Democratic Ticket!

Every man is competent and reliable. Do this, and the gallant Badger State will be overwhelmingly Democratic. Do this and you defend the Union and the Constitution and oppose Despotism. Will you stay away from the Polls, and afterwards, claim to be a Democrat?

The Draft! "The Ides of November," approach. The Draft comes Nov. 9th! Another on Jan'y 5th. Both will take 20,000 men from us unless they have the \$300!!!

Vote the Shanghai Ticket, and thus endorse that monstrous scheme to set poor men's blood and bones in the scale against \$300!

Vote the Shanghai ticket and endorse the outrageous manner in which our best and bravest Generals and most efficient Soldiers are used by the Negro-Loving Administration at Washington!

Vote for Shanghaiism and thus uphold the despotism sought to be established (and already inaugurated) over the White Men of America!

Never! Then vote for Democracy, and the party which respects the Rights of all, and which stands by "The Union, the Constitution and the Enforcement of its Laws!"

Democrats! Lovers of a Free Government! Vote! Vote! Vote!

Look at the Register's Books and after comparing the clear and beautiful records of P. H. O'BRIEN with the bungling scrawls of HUBBARD HILLS, decide whether you can do otherwise than vote for O'BRIEN!

Do you care about your title deeds? If so vote for O'BRIEN, the competent and faithful Democratic Register.

LET EVERY DEMOCRAT devote next Tuesday to his Country and his Principles! Be sure to be at the Polls during the organization! See that no illegality is allowed in the organization or in the returns! Go to the Polls by nine o'clock, and stay there until dark! See that every man is at the Polls! Beware of Bogus tickets or Shanghai falsehoods!

The Mum Candidate! Mr. Harris, the "My Lord Palmerston" Disunion Abolition candidate for State Senator, although, visiting each place, failed to speak at a single appointment he had made in Shawano County! "mum" a dummy" win you to represent this important district!

DEMOCRATS, see to it that every voter is got out to the polls! Outagamie has the eyes of every Union-loving and Law-abiding Democrat in Wisconsin upon her! Let it not be said that a lack of duty and patriotism lost the day for us! Democrats! to your posts! Beware of the Republican harlots! They will stoop to every species of misrepresentation and fraud to bamboozle Democratic voters into a support of their hermaphrodite schemes! Be on hand at the polls all day! Don't barter away your rights under any spurious pretense! Vote every name on the Democratic ticket! Vote early!

Improvement Co. Lands! In our last we published an article as editorial which was sent in as a communication, but by oversight did not have the "attached" by which it was signed.

This paper has been pre-eminent in its advocacy of the interests of the Improvement Co., and every Democratic Legislator from this section has given active aid to this great Work. The writer of the communication, we know, has done his share in the same direction, and he assures us he is just as sincere a friend of the Improvement as ever, but is opposed to their holding their lands any longer free from taxation, and asserts that hundreds in this county entertain the same sentiments.

With this explanation, we leave the matter, confident that all know that the Crescent never wavers in the interest it feels in behalf of the Improvement.

LOOK OUT FOR ABOLITION LIES!—Election Day in Outagamie has always been characterized by wholesale falsifying on the part of Republican candidates! These men will hesitate at no meanness to carry their political ends! Beware of their falsehoods! Trust them not! They would beguile Democrats into every species of dishonesty in order to defeat our nominees! Believe none of their misrepresentations!

Air Line Railroad. We want a Charter this Winter for a Railroad from Lake Superior via Appleton to Milwaukee.

Are not Hudd and Kreiss the men to accomplish it? Shall we hesitate?

GERMANS!—EMIL ROTHE is the most distinguished representative of your native land in Wisconsin! Give him a rousing majority on Election Day!

Can Democrats forget that all the Rights they enjoy were bequeathed them by the Democracy of yore? Can one prove recreant when all is at stake?—God hates a coward!

A GREAT ROORBACK!

Democrats Beware!

DEATH OF SENATOR HUDD!!!

Our city was startled on Wednesday evening by the painful rumor that Senator Hudd was killed by a kick of his horse while canvassing Shawano County! The story appeared plausible, and Mr. HARRIS, his competitor, just from Shawano thought it probable and declined to speak here on Wednesday evening.

That very evening Hudd was at New London in sound health, and returned home Thursday evening!

Look out for just as wicked pervasions of Truth on Election Day!

DEMOCRATS OF OUTAGAMIE!—Are you aware that the "Loyal Leagues," alias the "Disunion-Republicans," expect to divide your forces? They have the "greenback" offices, and boast already that they will do wonders in this county. Any Democrat who will allow himself to be seduced by men who seek to destroy the Constitution, and determined to "preserve the Union," by blotting out of existence all State Sovereignty, ought to join the Mormons, engage in the Negro-Amalgamation improvement of the White Race, or unite with the Puritanical plot to establish by force the relic of Despotism, a strong central Government.

Can you do it?

"Honest Old Abe!" Extract from his Inaugural Message, just after taking a solemn Oath to support the Constitution of the United States:

"Apprehensions seem to exist among the people of the southern states, that by the accession of a republican administration, their property, and their peace and personal security are to be endangered. There has never been any reasonable cause for such apprehension. Indeed, the most ample evidence to the contrary has always existed and been open to their inspection. It is found in nearly all the written speeches of him who now addresses you. I do but quote from one of those speeches when I declare that I have no purpose, directly or indirectly, to interfere with slavery in the states where it exists—I BELIEVE I HAVE NO LAWFUL RIGHT TO DO SO, AND I HAVE NO INCLINATION TO DO SO. Those who nominated me did so with full knowledge that I had made this and many similar declarations, and had never recanted them."

I NOW REITERATE THESE SENTIMENTS; and in doing so, I only press upon the public attention the most conclusive evidence of which the case is susceptible, that the property, peace and security of no section are to be in any wise endangered by the new incoming administration. Ladd, too, that all the protection which, consistently with the constitution and laws, can be given, will be given to all the states when lawfully demanded, for whatever cause—as cheerfully to one section as to another. I take the official oath to-day with no mental reservations, and with no purpose to construct the constitution and laws by any hypocritical rules.

That same sworn President issued an almost indiscriminate Emancipation Proclamation but a year ago! And all the Abolitionists rejoice because there is now a fair opportunity for their associating and amalgamating with the blacks.

Support the Republican ticket, and you endorse just such perjury.

Support the Democratic ticket, and you uphold the Constitution, the Union and its Laws.

LOOK OUT FOR BOGUS TICKETS!—See that every Democratic nominee is on your tickets! It is an old game of the Nullifiers of this county to attempt to defraud and mislead the honest voters by palming off counterfeit Democratic tickets with Republican nominees thereon! Read every name carefully before voting! Vote the straight ticket! Let no threats intimidate you from doing your whole duty on Election Day! See that your neighbors are all out to the Polls! Get every voter out! Vote early! Vote right!

AMERICANS, IRISHMEN, GERMAN, HOLLANDERS!—HENRY L. PALMER is the Man of the People! Whole-souled, honest, able, with untarnished reputation, he stands forth a giant of strength in our young State! Remember his past services on Tuesday next, and give him your appreciating suffrages!

SMALL BUSINESS!—We understand that, in several cases where Abolitionists in this vicinity have laboring men in their employment, who are sound Democrats, they have threatened to discharge them unless they would vote the Abolition ticket! Remember this, laboring men of Outagamie!

DEMOCRATS Go and vote! That is the main thing. No matter if it rains or snows, go and vote! Every Shanghai in the county will vote if he has to wade to his middle to reach the polls. Cannot Democrats be equally self-sacrificing? Go and Vote!

Men of Outagamie! GEORGE H. MYERS is before you as a candidate, the "Republican," (as they call themselves,) for the Assembly. GEORGE KREISS is the Democratic candidate.

The Democratic Party have made this Government, and provided a home for the White Race come from what country they may.

Last fall, Geo. H. Myers was the Draft Commissioner of this county.

It is a fact that while men were establishing their claims for Exemption, Judge Myers required them to tell their religion, and if they answered that they were Catholics, he obliged them to take a Crucifix in their hand, while he administered the Oath, and to kiss the Crucifix after the Oath was taken. Ask MOSAIAH of Freedom.

Was it because he believed, like Shanghai generally, that he supposed they had no belief in the Bible, and that if they swore falsely that a Priest could pardon them? If not, why did he require such an Oath?

The Democratic Party never meddle with men's Religious Opinions: the Opposition always do so.

Vote for the Democratic Ticket and condemn all such Ostracism!

Vote for the Democratic Candidates, all of whom believe in allowing men to Worship God as their Consciences dictate.

IRISHMEN!—JOHN R. BOHAN is a "sprig of shilleah" from Erin's Isle! Give him a full endorsement on Tuesday next!

LISTEN to the Loyal Leaguers doctrine: "If we cannot arm the negroes in the name of the Constitution, THEN LET US ARM THEM IN THE NAME OF GOD."

Can it be believed that such an infamous remark proceeded from a U. S. Senator, Judge Howe, from his place in the Senate? And yet that is the fact!

Soldiers in the field say: use the Negroes to do camp duty, build entrenchments, &c. Never attempt to make them equals with us. We will club them out of camp first.

Disunion Abolitionists, like Charley Robinson & Co. and their Fremont and Free Love, followers, of course endorse the atrocious sentiment of "Loyal" Judge Howe.

The BEDOUIN ARABS have always been noted for not misrepresenting an enemy. The Bedouin Abolitionists, on the contrary, always misrepresent even when the truth might do them service. For months, they have claimed the gallant old Gen. Cass as a sympathizer with their infernal schemes to destroy this glorious country. Hear the brave old General in his last published letter:

"The Jacobins and Radicals, who are the leading spirits of the party in power seem quite as intent on destroying our civil rights as in whipping the rebels into subjection."

Look out for these "Jacobin and Radical falsehoods on Election Day!"

"HE SELLS LAGER BEER!"—Such is one of the objections urged against the election of GEORGE KREISS, who is by the way a Hotel Keeper, and keeps a bar. Well, his competitor drinks Lager Beer whenever he thinks proper, and it would be very small in any one to get up a hullabaloo about it.

The joke is, some of the men most industrious in trying to get votes from Kreiss on this account, are the ones who brought the first stocks of Liquors into Appleton!!!

Ask any Appletonian! Ask our U. S. Assessor!

ABOLITIONISM ILLUSTRATING ITS LOVE OF "UNION!"—T. D. Kellogg, Market-man of this city, one of the most blatant Abolitionists in this section, and who recently discontinued the Crescent because it was a "disloyal" sheet, is exempted from the draft on the ground that "he is the only son of indigent and aged parents depending on him for support"!!!! Such is the boasted love of Union these "valiant vigorous protectors of the war" Abolitionists have! Anyone at all acquainted with Mr. Kellogg, Sr., knows he is not dependent upon anyone but himself for support! Republican patriotism is a big thing!

"BIRDS OF A FEATHER," &c.—Wendell Phillips has recently written a letter giving his reasons for supporting Lincoln's Administration in its policy for carrying on the war. His prime reason is that "the war is for the abolition of slavery!" Stone the Republican Governor elect in Iowa, pronounces it a "war for the abolition of slavery," and says he "would sooner sleep with a nigger than with a copperhead!" Brough, the Republican Governor elect of Ohio, said, three weeks before his election, "We must prosecute this war until every slave is emancipated, if it makes every woman a widow and every child an orphan."

THE UNITED STATES! Jackson, U. S. Assessor of this County, said, "We can well afford to continue this war another year, if we can free all the slaves!"

DEMOCRATS OF OUTAGAMIE! Do you approve of this perversion of the war for the Union into an Abolition crusade over a parcel of besotted slaves? If so, vote the Abolition ticket. If, on the other hand, you are for prosecuting the war for the Union, the supremacy of the Constitution, the maintenance of the Laws, Liberties and Rights, guaranteed to us by Washington, Jefferson, Monroe, Jackson, and the host of Democratic Patriots and Statesmen of the Past—vote the straight Democratic Ticket!

"THE ALARM BELL," the "minute gun at sea," rings in the ears of every lover of the Constitution and the Union, from morn till eve. Graves yawn all around us, widows and fatherless children mourn, and yet our imbecile Administration calls for more victims; pulpits thunder for "Loyalism," alias English Toryism, as they did last Sunday that least one Church in this city, and hypocritical prayers are offered for the success of the Negro Equality ticket for State and Local officers, and the downfall of American Civilization, the destruction of the rights, privileges and immunities guaranteed to us by the blood and patriotism of the Revolution, and the enthronement of a babbling, insane aggregation of political iniquity, such as was never known in any Republic prior to 1862.

The bell may toll; the cannon's boom may be borne far away; tears may fall; children may cry for bread;—what careth Islamism, as personified at Washington, for all this? The Administration must take care of its tens of thousands of contractors, they must make a few more hundred millions of dollars, the Rebellion must not be put down while Shanghaiism is in power, and every General who succeeds in overthrowing the cohorts of Rebelldom and co-workers with Nullification and Abolitionism; must be removed.

This is the programme of the mis-called Republican Party! If you like it, vote their Disunion ticket; if not, go for Democracy.

Are you all Ready? A long pull, a strong pull and a pull altogether. Vote early! Don't put it off till afternoon. Bring out your teams early and inform Democrats to the Polls! Watch for Bogus Tickets!

One day to save our glorious country from Despotism!

THE TRAITORS.—Just now, the Negro Equality Press have been quoting a letter from the "venerable Josiah Quincy," of Massachusetts, in favor of the infamous Policy of Lincoln's Administration, and many prayers are undoubtedly offered, day by day, for the extension of his already lengthened life. In 1811, after England, (the bosom friend of the Rebellion since its start), had destroyed our Commerce, insulted our Flag, and disregarded the Rights of Americans, the Democrats in Congress proposed violent retaliatory measures, and in 1812 declared War.

While one bill to punish England and protect the United States was pending in 1811, this same "venerable" old traitor Quincy, declared in Congress:

"If this bill passes it is my deliberate opinion that it is virtually a dissolution of this Union: that it will free the states from their moral obligations; and as it will be the right of all, so it will be the duty of some, definitely to prepare for a separation—amicably, if they can, violently, if they must."

# Our Woodland Home.

Next week we shall give a very interesting letter from our Cuban Correspondent.

The Philanthropic Society, connected with Lawrence University have concluded to make an effort to secure a series of Public Lectures here during the coming winter, should sufficient encouragement be given. Probably the week after next the city will be canvassed for that purpose, and if our citizens take hold of this matter as they should, we shall have a number of first class lecturers. It will be impossible for the students to bear the expense altogether, and unless hearty encouragement is given by our citizens of course the effort must necessarily fail.

**REMOVAL.**—H. Romer, as will be seen in another column, has removed his location in order to extend his business. He intends to keep all the latest styles of boots and shoes, and will manufacture for customers on short notice. He is a good workman and deserves a generous patronage.

Monday was a busy day in town. The streets were fairly blockaded with teams loaded with wheat, farm produce, hay, slave bolts, &c. Those halcyon days—"the good time coming"—are giving strong symptoms of their near approach. Appleton is a good trading and marketing center.

**WHO CAN BEAT IT?**—John H. Barnes, of Grand Chute, has quite an extensive dairy, probably the largest in Northern Wisconsin; and he informs us that he has a cow from which he has milked, at one milking, 27 lbs. and 14 oz. of lactal fluid!

**Fay & Humphrey** calls particular attention to the world-renowned *Plummer Patent Boot*, which is now almost entirely superseding the old styles. For ease and comfort they are unequalled. Fay is one of our most agreeable and fair business men. Call around at the People's Exchange and let him show you his splendid stock.

**SAD ACCIDENTS.**—On Saturday last a boy named Stone had two fingers nearly severed in twain, at the Barrel Factory. Dr. Whittlessey dressed the fingers, and it is thought they can be saved from amputation.

On Tuesday, while the eldest daughter of P. J. Gates (a soldier in the 3d Cav.) and another little girl were at play, the latter carelessly ignited a box of matches and threw or dropped them upon the former, enveloping her in flames. No grown person being present, the unfortunate victim's clothing was all burnt to a crisp on her body, burning her in a most frightful manner. It is questionable whether she will recover. Such carelessness would be more than criminal in older persons.

P. S.—She died the following morning after enduring the greatest agony.

**ATTENTION FARMERS AND MECHANICS.** I have just received a large invoice of Boots, Shoes, Hats, Caps, Cassinieres, Sateen and Wool Cloths, Broadcloth, Twos, Jeans, Denims, Hickory Stripes, Red, White, Blue, Grey, Purple and Yellow Flannels of all descriptions. Bed, Crib, Mackinac and Horse Blankets, Grain Bags, Wool over and under Shirts, Drawers, Buck and Woolen Mitts and Gloves. Fur Caps, Cloth, Hemp Carpeting, Buffalo Over Shoes, Stockings, &c. &c. &c. My stock comprises a most every article required for family use. My goods are bought for cash and it shall be my aim to suit my customers as to price and quality on all goods kept in my line.

P. WURR.

**Rain again on Thursday.**

Farrel Golden, one of the oldest residents of Grand Chute, is dead. So go the landmarks.

We want 25 bushels of good potatoes from some of our subscribers. Bring them along now, if at all. The highest market price paid.

**Town Treasurers** please make a note of the fact, that we can supply you with Blank Receipts, at lower prices and natter than you can secure them elsewhere. Leave your orders with us now. Printed with or without stubs, as desired.

**Farmers Club—Greenville.**

At a meeting of the Farmer's Club, held at District No. 1, School House, the 26th inst., the following resolution was adopted:

Resolved, That we tender a vote of thanks to Byron Douglas, Sec'y of the Outagamie County Agricultural Society, for the skillful manner in which he engineered the business through so many trying difficulties and would recommend that said Agricultural Society at its next annual meeting make a liberal appropriation to him for his valuable services.

We would also recommend an appropriation sufficient to secure his services for another year as we consider him indispensable to the success of the Society.

A. P. Lewis, President.

Louis Plummer Secy.

The late snow storm still leaves striking traces of its coming all over the hills, slopes and valleys. Farmers and "ye oldest inhabitants" gravely exclaim, "Well, we never saw the like at this season!" Hundreds of bushels of potatoes and vegetables are yet in the ground. Unless the weather becomes more conservative and less extreme, large damage will be sustained by the farmers, or we are no judge. Much work has yet to be completed ere winter enshrouds us in his icy folds. Let there be no more delays, but, shoulder to the wheel, labor hard and strong during the next three weeks.

**IMPORT.**—Peter White is at present selling heavy brown Sheetings, Best Prints, Medium Prints and good Spool Thread at less than New York wholesale prices. Go and convince yourself that the above is a true assertion.

**LACKED STAMINA.**—Will Lanphier, who Republicans call a "traitor and copperhead," challenged an out and out Shanghai-Abolition-vigorous-prosecution of the war-man to volunteer in the Union Army, agreeing to go with him. Shanghai agreed to go, and shook hands to "bind the bargain." Capt. Wood, who is here recruiting for the 32d reg't, proposed to swear them in immediately: Up went "copperhead's" hand, but Shanghai skulked away! How loyal these "all the patriots" Abolitionists are!

Let EVERY MAN read the letter on our first page from a soldier in the gallant old "Iron Brigade." Shanghai can therein "see themselves as soldiers and patriots see them."

**OUR STATE TAX.**—Last year, the Outagamie County State Tax was \$5,790 15 This year \$3,585 67. So much for the efforts of Senator Hudd. Would we not do well to keep him in office?

**Col. Lucius Fairchild**, promoted to a Brigadier Generalship, resigned immediately upon his promotion. He is now the Disunion candidate for Secretary of State.

Leaguers will all vote, rain or shine, on Tuesday. Will any honest Democrat fail to vote?

**New Paper.**—We have received the first number of the "Island City Times," the paper just started at Neenah and Menasha. It is a neat seven column sheet, edited by J. N. Stone, formerly of the Chalmist Republican. It is, Republican in politics, but don't seem to be of the intense amalgamation kind so prevalent in that stripe of politics. As a local paper it starts off well and must prove to be a valuable auxiliary to the business interests of that locality. Success to the paper in all but its politics.

**GEORGE KREISS** made an able speech in German at the Buchanan meeting. JAMES MCGILLIS talked most effectively in the English language.

"The work goes bravely on!"

"Thank God! There is one Copperhead less!"—Such was the expression of a Republican of the First Ward when he first heard the rumor of the death of Senator Hudd! Such is Shanghaiism! Can you support it?

THE FAVORABLE RESULT OF THE ELECTION IN THESE GREAT CENTRAL STATES, IS THE CHOICE OF THE UNION CANDIDATES, IS REALLY MORE IMPORTANT TO THE NORTH THAN A VICTORY OF ROOSEVELT'S ARMY. THE ELECTION OF VALLANDIGHAM WOULD UNQUESTIONABLY HAVE COMPLICATED IN A CIVIL WAR AT THE ABOLITION.

Assuming the debt to be \$1,500,000,000—how shall it be paid? Certainly not in one year, certainly not by a direct tax. No nation ever sought to pay a large public debt in that manner.—*Mail Journal.*

Very true—"certainly not in one year, certainly not by direct tax." It will be paid as the despots of Europe always pay their debts,—by the toil and sweat of the people, who are to be ground down to the dust for centuries by an indirect tax—the most inhuman, expensive and unequal of all methods of taxing a people.—*Mail News.*

It has stood the test of time, being the original Hair Coloring, and is constantly increasing in favor. Used by both gentlemen and ladies. It is sold by all respectable dealers, or can be procured by direct mail from the inventor, D. S. BARNES & CO., 202 Broadway, N. York. Two sizes, 50 cents and \$1.

It is a most delightful Hair Dressing, it eradicates dandruff and restores the hair to its original color and condition. It makes the hair rich, soft and glossy. It prevents the hair from falling out and keeps it clean. It restores hair on bald heads. Any lady who values a beautiful head of hair should use Lyons' Katharine. It is known and used throughout the civilized world. Sold by all respectable dealers. DEMAS S. BARNES & CO., Proprietors, New York.

22 The New York Herald is often quoted with approval by the abolition press. It recently published a letter from a gentleman who professed to have just arrived from the south, for whose reliability the Herald vouched. In that letter occurred the following sentence: "The middle and poorer classes, and the majority of the soldiers in the rebel army, do not hesitate to say in the most public manner, that, if they felt assured of their property being respected, they would wish for peace to-morrow." They say, if they could come back under the old constitution of the United States and that of their state governments, they would cease to cry war and demand peace."

But they are assured by the abolitionists that their property shall not be respected, and that they shall not be allowed to come back "under the constitution of the United States." We are to have a new one, with "modern improvements." And hence the "middle and poorer classes, and the majority of soldiers in the army," continue to cry war, and make war.

The people of the Northern States have sent with the past year, \$385,000 in money and provisions, as charity, to the needy operatives of France and England.

Odesa, Delaware, kept 21 vessels continually running to Philadelphia during the peach season. Some of the largest growers realized from \$10,000 to 20,000 for their crop.

The agricultural college in Pennsylvania is now in full operation. It is situated near the Allegheny mountains, 100 acres of land are connected with it. The College building is immense, costing \$10,000. The students use it six and breakfast at 6 of the year round. The count is four years, and students are educated for practical scientific farming.

From figures in the Provost Marshal-General's Office it is ascertained that on the 1st of July, 1863, there were 92,789 deserters from all the armies in the field. Since the establishment of the Bureau of deserters, over 15,000 of these have been returned to their regiments.

Jell Davis lately ordered General Bragg not to shoot so many of his men. We wish somebody would order him not to shoot so many of ours.

The Philadelphia Age estimates the majority in Pennsylvania, including imported votes, at 7,000.

Kossuth lives near Tinn, pale and wan, and his wife in a consumption. Garibaldi is on his island farm at Capri, lame but cheerful, with an income of \$600.
